**THE
KING OF GLORY
PSALM 24:10**

PSALM 24

1 The earth is the Lord's, and the fulness thereof; the world, and they that dwell therein.

2 For he hath founded it upon the seas, and established it upon the floods.

3 Who shall ascend into the hill of the Lord? or who shall stand in his holy place?

4 He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully.

5 He shall receive the blessing from the Lord, and righteousness from the God of his salvation.

6 This is the generation of them that seek him, that seek thy face, O Jacob. Selah.

7 Lift up your heads, O ye gates; and be ye lift up, ye everlasting doors; and the King of glory shall come in.

8 Who is this King of glory? The Lord strong and mighty, the Lord mighty in battle.

9 Lift up your heads, O ye gates; even lift them up, ye everlasting doors; and the King of glory shall come in.

10 Who is this King of glory? The Lord of hosts, he is the King of glory. Selah

EDITOR'S NOTE

Glory be to God in the highest. The Lord has been so awesome; He has indeed preserved and glorified His church. It is a great privilege to be called by God, and it will be by the guidance of His spirit, our total commitment to His will, and by His infinite mercies that we might be chosen at the end. On behalf of the media team, I welcome you to this marvelous season of our fourth anniversary.

I am so glad to present to you the fourth edition of our magazine entitled "**The King of Glory**". This edition is a sequel to "Soaring with the Eagles". It is filled with highlights of activities of the church since the last anniversary as well as other spirit-filled articles and updates.

This edition will not have been successful without the mighty power of God. I want to thank Pastor Peter Oyediran and his family for their labor of love in God's vineyard. I also want to thank the entire members of the media team (Brothers Karo, Bruno, Timi, Isaac, Eric, Gabriel and Seyi) for their relentless efforts and commitment, the anniversary planning committee, the Choir, the Secretary, Prayer Team, Hospitality Group, Ushers, Sanitation Team, and all the other wonderful departments of RCCG JHH. Also to my amazing wife, and my lovely kids, Sean and Ronel, thank you so much for all your supports.

May the word of Almighty God in this season of anniversary liberate you and your family from every stronghold of the enemy, and make you ever committed to the will of God for your life in Jesus name. Amen.

PASTOR'S NOTE

Glory be to God in the highest. Halleluyah! You are all specially welcome to the 4th Anniversary of The Redeemed Christian Church of God (RCCG), Jesus House Huntsville (JHH), Alabama.

This magazine is the fourth edition to celebrate the 4th anniversary of RCCG JHH Alabama. The theme for this year's anniversary is 'The King of Glory' "Who is this King of glory? The Lord of Hosts, He is the King of glory" (Psalm 24:10). David the king sang of a great triumphant entry by the King of glory. He emphasized the greatness of the King of glory, to God Himself who arrives in victory.

The Lord Jesus Christ was crucified, died and buried; but to the glory of God, He resurrected and ascended into heaven to sit at the right hand of the Father.

The conquering King of glory has given us redemption through His blood and by the blood of the lamb we have been ransomed by God from every tribe and nation. He has made us unto our God kings and priests and we shall reign on the earth (Revelation 5:9-10).

Therefore God has exalted Him and bestowed on Him the name that is above every name, that at the name of Jesus every knee should bow, of things in heaven and things in earth and things under the earth. And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father (Philippians 2:9-11).

As we celebrate the 4th anniversary of JHH, I declare that the King of glory will reign supreme over every situation and circumstance of your life in Jesus name, amen. The Lord, strong and mighty in battle, will fight for you and you will hold your peace in Jesus name. Amen.

Live a life of holiness, humility and total dependence on God and you will begin to sing a new song of victory in Jesus name (Exodus 14:14). Amen.

Let me use this medium to thank all the members of the anniversary planning committee for their selfless efforts in putting this program and magazine together. Thank you and God will reward all your efforts in Jesus name. Amen.

Pastor-in-Charge

CHURCH ADMINISTRATION

The two main priority areas that should be focused on by the Church Administrator include: protection and provision.

Protection:

Areas of protection by the Church Administrator include: the integrity of the church's accounting system, the welfare of the Pastor and his family, and the children. Anyone overseeing the church's finances has to be a man of integrity and should be accountable in this area. "In everything set them an example by doing what is good. In your teaching show integrity, seriousness and soundness of speech that cannot be condemned, so that those who oppose you may be ashamed because they have nothing bad to say about us"

(Titus 2:7-8, NIV). The well- being and security of the Pastor and his family should never be neglected, this we can achieve through praying and supporting them. Our Pastor needs to live comfortably in the neighborhood where he is serving and the church is charged with this responsibility. "The elders who direct the affairs of the church well are worthy of double honor, especially those whose work is preaching and teaching" (I Timothy 5:17, NIV). Our children are the future leaders of our community and nation and should be taught the word of God rightly. "Train up a child in the way he should go, and when he is old he will not depart from it" (Proverbs 22:6, NKJV). The Administrator needs to screen the children's workers before they are approved to be part of the Children Department. This will enable teachers having the fundamental understanding of the gospel to impact the same into the lives of our children. Weekly conversation with the HOD of the Children's Department in areas of needs and challenges should be encouraged, with occasional visits to the children during their worship services.

Provision:

This is preparing before a need arises in Church. The Church Administrator should always plan for future needs, and store up for inevitable period of shortage. He needs to be focused as he assumes the role of a long-term strategist, apart from attending to the church's short-term needs. Effective planning is very important, because this prevents mistakes being made. "The plans of the diligent lead to profit, as surely as haste leads to poverty" (Proverbs 21:5, NIV).

Congratulations to The RCCG, JHH as she celebrates her 4th Anniversary.

Dr. Tutu Nyaku
Church Administrator

Office of the Secretary

On behalf of my family and myself, I heartily congratulate the RCCG JHH for her 4th Anniversary. It has indeed been another milestone and wonderful year well spent. We give God the glory. This year has really been a spectacular year for us as we have all been walking in God's abundance according to the prayer points of our Father in the Lord, Daddy G.O. Adeboye. These are highlighted below:

In January, We received the first of its kind miracle.
In February, God doubled our blessings.
In March, God showed His Almightiness in our lives.
In April, God sent helpers to us from every corner of the world.
In May, God showed us His divine grace and favor.
In June, God gave us unexpected breakthroughs.
In July, God perfected all that concerns us.
In August, God gave us a fresh start, a new beginning with Him.
In September, Our all-Sufficient God sufficiently satisfied us.
In October, God's Amazing grace rested on us.
In November, God exceedingly rewarded us abundantly.
In December, God will crown all our efforts with glorious success in Jesus name.

God is indeed faithful! I am amazed by His wonders. He is so mindful of us that He made us in His own image. I thank God for how He has kept us and I specifically thank Him for His blessings, protections, provisions, healings, breakthroughs, deliverances, journey mercies etc. Also, I thank the Lord for every soul won into His Kingdom; it is my prayer that God will draw all men unto Himself as we continue to praise and lift Him up in Jesus name, amen.

I will like to thank all the HODs and workers for selflessly devoting their time and talents for the King of Glory. The Lord, who rewards all those that diligently seek Him, will reward your labor in His vineyard in Jesus name, amen.

I thank God for His enabling grace upon our Pastor and his family. God will continue to increase His anointing upon you and your wife in Jesus name, amen. You have been there to show your kindness to many at odd times, adverse weathers and so on. Our Jehovah Jireh will reward, keep, and bless you and your entire family in Jesus name. Amen.

Additionally, I do want to thank all our Patrons that have been supporting the work of the mission in one way or the other, particularly through their generous giving. "It is true that salvation is free, but the cost of discipleship is enormous". We must continue to spread the good news to the outermost part of the world (Mark 16:15).

Finally, we are still looking forward to acquiring our own church building. We are making progress, nevertheless; we still need your help. The Children's Department is asking for your financial supports towards this laudable project because our current location and space greatly limit the extension of children's activities that promote healthy relationships.

"So then it is not of him that willeth, nor of him that runneth, but of God that sheweth mercy"
(Romans 9:16).

Executive Secretary

DEPARTMENTAL UPDATE

Evangelism Department

We will like to congratulate the RCCG JHH on her 4th Anniversary. "Go ye into the world and preach the gospel to every creature" (Mark 16:15). We participated in the RCCG World Evangelism Day held on Saturday, July 7th 2012. Our approach involved distribution of tracts and speaking the word of God to individuals. We are grateful to all who were involved in making this day a memorable one. One of our upcoming activities will involve regular visitation to nursing homes. This is scheduled to take off very soon. Some challenges within our department include: some believers are yet to realize that their main core of redemption is to live exemplary lives, and find time out of their busy schedules to preach the gospel about Jesus Christ to others. Therefore, believers must be ready to make sacrifices, be committed and give room for helping each other.

Mr. Femi Ojewole
HOD, Evangelism Department

Kitchen Department

We give all glory to Almighty God for His care and protection over us throughout the passing year in His service. He has led us thus far, and will continue to be our stay. The Kitchen Department provides both members and visitors alike with good nourishment for their bodies every first Sunday of the month. We are reminded of the feeding of the multitudes by our Lord Jesus Christ as an example of His attention to the physical needs of followers and potential followers. We want to thank the Pastor and the church for providing the funds needed in keeping this ministry going. We welcome suggestions and comments from members on possible areas of improvement of this Department. I wish to say a big 'thank you' for allowing us to minister to you all in this simple way. May the church of God continue to grow from strength to strength in Jesus name. Amen.

DEPARTMENTAL UPDATE

Media / Publication Department

We bring greetings to you in the precious name of our Lord Jesus Christ on this glorious season of our 4th Anniversary. The vision of the department has always been to support the transportation of the message of Jesus Christ into the heart of the community. Our department has grown tremendously since the last anniversary, thanks to the faithfulness of our heavenly Father. Our media software and hardware equipment have been upgraded to enhance our audio and video quality. Copies of messages can now be produced per order. There has been monthly publication of bulletins which includes monthly themes for the church as well as monthly words from the Parish Pastor.

As much as we have grown in this department, our real potential is without walls. We are still believing in the power of the Lord's might to have an operating website where we will have the capability for podcast, online stores, tithing, and donations.

We are still in much need of talented and faithful members in areas not limited to networking, graphic design, photography, cinematography, and basic computer knowledge.

As you celebrate with us, may the peace of our Lord Jesus Christ never depart from you and your family in Jesus name. Amen.

Bro. Preston Chidebelu
HOD, Media Department

Prayer Department

Don't accept evil as your destiny. God is your Father, He can alter anything in your favor. The life of Jacob is a testimony to the power of God to change the destiny of a man (Genesis 32:22-32). At Peniel, the history of Jacob's life was re-written and he became a part of Abrahamic blessing. He witnessed total transformation and his relationship with God changed. God gave him a new name. A deceiver became the prince of God indeed. What do you desire? Do you know you can still make it? Yes! "Jesus Christ is the same yesterday, today, and forever" (Hebrews 13:8). He will do it in your life in Jesus name. Amen.

Apart from our usual weekly meetings that holds every Tuesday from 5:30 pm to 6:30 pm, our newest prayer program tagged 'Peniel's Night' is held on the last Tuesday in each quarter from 10 pm to 12 pm. We thank God for all who have been involved with us. We invite you all to come and have a Jacobic experience in our subsequent programs. Happy anniversary celebration to the RCCG Jesus House Huntsville.

HOD, Prayer Department

Men of Vision

The Men of Vision congratulates the RCCG, JHH on her 4th anniversary celebration. Firstly, we appreciate God for granting us the grace to witness another anniversary of our Church, and I also want to thank the committed members of the men's ministry. I pray that the Lord will empower you all and make you a blessing to this generation and generations to come. As the church is growing, we the members of the men's ministry also have reasons to be grateful to God for His goodness. Some of our members have become fathers in the last year, and some have been empowered with wisdom and divine direction in the area of business. Also our men have been so committed in the service of God. We have also organized various

activities as a means of giving back something of value to the community and we have seen the positive effects of all our efforts in the course of the year. These activities include, but not limited to, a summer picnic/ soccer match held on Saturday August 18, 2012.

Our mission statement:

Men of vision is committed to winning men in our communities and environs to Jesus Christ and also to equip them to affect their family, friends and society as men of integrity and vision. Men of Vision is a reminder that every man who leads his family in righteousness can have a positive impact on a society whose moral values are rapidly eroding, and can make a difference in a struggling world that needs the bright touch of God for a better society. "A good vision naturally gives birth to ideas and takes initiative".

Our Vision and Purpose:

(i) Bring men to a saving relationship with the Lord Jesus Christ; (ii) Equip men to teach and serve others to be world changers for Christ; (iii) Grow men in spiritual maturity to be Christ-like and to make GOD bigger and better to an unbelieving world (John17:4); (iv) To win souls for Christ by supporting the church in reaching out to the church members, families and society in general.

I encourage all our men this year by the grace of God that we should be more united, and let all hands be on deck to work together with Christ as co-labourers in order to achieve greatness in His presence. The Bible says "where there is no vision, the people perish: but he that keeps the law, happy is he" (Proverbs 29:18).

Sight sees impossibility, vision sees possibility. Sight sees obstacle, vision sees miracles, sight sees the present, vision sees the future, sight keeps you stagnant, vision empowers you with speed. Our calling as men of vision is to provide men with resources to develop godly character and to equip them to influence their world for Christ. Becoming a christian and a man of vision is not a destination; it is the beginning of a life-long journey. "As for me and my house, we will serve the Lord." Joshua 24:15.

Protocol

We thank God for His divine protection over the church, His mercies that are new every morning and for upholding us in His right hand of righteousness. Our team works with visitors and guests invited to programs organized by the church. These guests may be Pastors, church leaders or government officials. We thank God for the commitment on the part of our team members for diligently making themselves available in all the functions and programs organized by the Church.

We praise the name of the Lord for two new members that joined our team this year and we are trusting God for new members to become part of this unique Department.

We wish the RCCG, JHH a happy 4th anniversary celebration.

Choir department

“Bless the LORD, O my soul and all that is within me, bless His Holy name. Bless the LORD, O my soul, and forget not all His benefits” (Psalm 103:1-2). On behalf of all the choristers of the RCCG JHH, I heartily congratulate the Pastor and the other church members on our 4th anniversary. Indeed I count it as a great privilege, not only to be a member, but also a partaker of this great event. This past year has been a blessed year for us, in that God blessed us with four children in our department. Our vision still remains to worship God and also lead the people of God into His presence with praise and thanksgiving that will be a sweet smelling sacrifice before Him. Some of the challenges we faced this passing year include having to re-adjust, because three of our

committed members relocated to other States, but God has been so faithful and has proved to us that despite our few number, He can still use us to bless His people, as long as we make ourselves available. We also want to use this opportunity to extend an invitation to as many people, who believe God has called them to offer selfless worship to Him. To God be all the glory, honor and adoration. Amen.

Chigozie Chidebelu
HOD, Choir Department.

Sunday School Department

Congratulations to the RCCG, JHH on her 4th anniversary. We appreciate God for the lives of our teachers, the Pastor and his family, as well as all the wonderful people that God is blessing tremendously through this ministry.

"Study to show thyself approved unto God, a workman that needeth not to be ashamed rightly dividing the word of truth." (II Timothy 2:15). Beloved, the importance of rightly dividing the word of God correctly cannot be over emphasized in our days. As co-laborers with God (I Corinthians. 3:9), we need to understand the nature of the business He has called us into. The word of truth will help us to identify our roles in this partnership business. We have been mandated to be

witnesses unto Him (Acts 1:8). We need to have a personal knowledge of Him as revealed in the word of truth before we can be a faithful witness. In order to be partakers of His heavenly kingdom, we need the word of truth to guide us in all ways. "Thy word is a lamp unto my feet, and a light unto my path" (Psalm 119:105).

Bear in mind that in our days, the world is encroaching into the church through various means. Therefore for us to know the mind of God concerning such situations, we need to be in a position to rightly divide the word of truth. "And ye shall know the truth, and the truth shall make you free" (John 8:32).

Always remember that the prince of this world, the accuser of the brethren is watching you daily in order to find offenses he can use against you. Therefore, you need to take the sword of the Spirit, which is the word of God as a defense (Ephesians 5: 11-17).

For more information about rightly dividing the word of God, join us in Sunday School ministry every Sunday morning at 10:00 am prompt.

Happy anniversary!

Mrs Toun Alabi
HOD, Sunday School Department

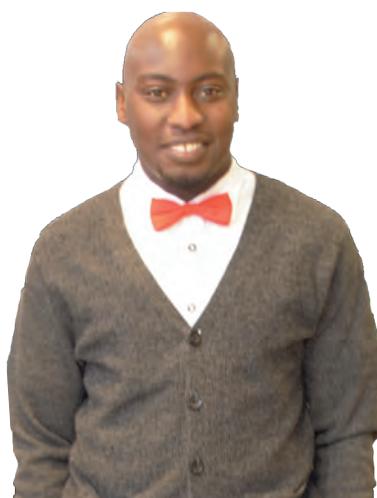

Sanitation Department

We give glory to God for His wonderful works in the RCCG JHH as the church of God marks her 4th Anniversary with the theme 'The King of Glory'. "Oh Lord our God, how excellent is your name in all the earth, who has set your glory above the heavens" (Psalm 8:1).

I want to use this medium to thank our fellow co-laborers in the Sanitation Department, Bro. Chinye Omesiete and Mrs. Titi Douglas who have been a great asset to the department. And I salute their courage, determination, and selfless efforts in keeping the house of God clean, despite their busy schedules. The Lord will reward your labor of love in His vineyard in Jesus name. Amen.

Special greetings to the Pastorate and the entire workers and members of the RCCG, JHH. If the Lord is leading you to join the Sanitation Department, kindly contact me. The joy of the Lord is your strength. Amen.

Ike Ezekiel
HOD, Sanitation Department

Ushering Department

On behalf of the ushering department, I bring you warmest greetings and welcome you to the 4th anniversary of the RCCG JHH. Beloved, it has been a great year of accomplishment for us as Ushers of this church. We have really been blessed and improved in our duties. It is of no doubt that our God has given this department dedicated workers who are ready to labor for God and follow the policy of the department. We give glory to the Almighty God. Our vision is to usher the children of God to His presence and to make a conducive environment for worship by doing all what the Lord requires from us. An Usher is thus defined in church by function. As a servant, Priest, Minister, Assistant, Aide, Doorkeeper, Gatekeeper etc.

(Psalms 84:10, Numbers 3:5-10, I Chronicles 9:17-27 and Acts 6:1-7). The Almighty God who has called an Usher is more than able to bless him/her as long as he/she pays attention to His words (Proverbs 4:20-27 and II Timothy 2:11-15).

Do you know the ushering department is the most noticed and significant department? What a privilege Ushers have to work for God, and those that genuinely usher God's children into His presence are been ushered by the angels of God to His presence as well. Don't you think this is a privilege the Ushers are enjoying? Why don't you make yourself available? Join the Ushering Department and let the angels of God usher you into His presence, as you do the same to the children of God. The Almighty God will bless you in Jesus name. Amen.

Bro. Oghenekaro Arutere
HOD, Ushering Department

Women of Valor

We give God all the glory for great and mighty things He has done for the RCCG JHH as we mark our 4th Anniversary.

One of our goals as women in the church is to strive for unity among members through fellowshipping with one another.

We thank God for safe deliveries for all our women this passing year and also empowering some in becoming business owners. Our women have been very committed in their services to God, and have actively participated in women conferences and seminars that were organized this outgoing year.

As we move into another year in His vineyard, I pray God will bless and make you a channel of blessings to others in Jesus name. Amen. The maker of the stars has enough power to meet all our needs. He determines the number of stars and calls them each by name (Psalm 147:4). We should therefore surrender our problems to Him in exchange for peace in our lives.

Happy anniversary celebration to the RCCG, JHH.

Mrs Remi Ojewole
HOD, Women of Valor

Children Department

I thank God for the opportunity He has given me to head the Children Department again this year. As a parent and a teacher, I know how important it is to train children and to teach them the Word of God. Proverbs 22:6 says, "Train a child in the way he will go and when he is old, he will not depart from it." I pray that God will continue to bless us all with wisdom and knowledge to lead our children the way He wants us to.

We planned and executed many activities this year. We observed the Children's Week. The children participated in the program for the week. The children choir sang in the sanctuary and they sang with the church choir. All children of elementary school age now bring their Bibles to the church and they take memory verses home every Sunday. Children of the pre-school age too take memory verses home every Sunday. A lesson plan has been created for all the classes that we have now.

Our goals for the children now are to create more classrooms and to divide the children into different age groups. We have regrouped the children, but the goal is to be able to create these classes based on their age groups. There are four age groups: zero - 1 year old, ages 2-4, ages 5-10 and ages 10-15. Also, the plans for the next couple of months for our youths are to create different programs to keep them busy and to involve them in church programs and to plan trips to local areas. By the grace of God, the children are demonstrating great interest in learning.

Some of the few challenges we are facing now are limited space for the children, inadequate teachers to teach and insufficient volunteers to help. Both female and male members of the church are welcome to assist. My prayer is that God will help us to accomplish our goals and achieve our aims for the children department in Jesus' name. Amen.

I am thanking the following individuals for their hard work in the Children Department this passing year: Mrs. Kehinde Oyediran, Mrs. Elizabeth Lipedé, Mrs. Amaechi Ndubuisi, Miss Lola Fadairo, Miss Lola Ojewole and Miss Ayo Douglas. The good jobs that they have done are very much appreciated. May God continue to bless you and attend to your own needs as you attend to the need of the little ones in Jesus' name. Amen.

Mrs Adeola Ayileka
HOD, Children Department

Welfare Department

I thank God for the opportunity given to me to serve in this Department. It has been a very uplifting Department and we follow up on our members through phone calls admonishing them in the way of the Lord. Our main duties are visiting the sick in the hospitals, praying for pregnant women, and assisting the less privileged in our community. We give all the glory to God for how far He has brought us.

Congratulations and happy 4th anniversary to the RCCG, JHH.

IT IS WELL WITH YOU

INTERVIEW WITH PASTOR PETER OYEDIRAN

By Bro. Festus Olatoyinbo

Can you briefly tell us about your ministerial background and spiritual mentorship?

My name is Pastor Peter Oyediran. I was born and raised in a Christian home. My father was a Priest/ Catechist in Anglican Church. He instilled in me the passion to work for God right from my childhood days. I became a born-again Christian in September 15, 1989 as a freshman in School of Nursing during a welcome program organized by Fellowship of Christian Nurses. I experienced rapid spiritual growth and later served as the General Secretary of the Fellowship for two years. After my graduation, I joined RCCG where I participated in various training programs, Ministers' Conferences, Annual Conventions among others. I was initially ordained as a Deacon and later as a Pastor by God's grace. My ministerial tutelage has been majorly through the teachings of Pastor E.A. Adeboye who is my role model and spiritual mentor to date.

Succinctly enumerate some remarkable growth and breakthroughs experienced since the last church anniversary.

God has been so good to us this passing year. Members testified of the Lord's goodness in the areas of fruits of the womb, safe deliveries, healings, deliverances, immigration breakthroughs, admission/graduation from colleges among others. The church organized various spiritually-uplifting programs which culminated in undeniable spiritual growth in the lives of the people of God. Some members opened new businesses while others got better jobs and relocated to other States or countries. We give God all the glory for great things He has done.

In your own perspective, what is the most memorable program held in RCCG JHH in the passing year?

Frankly speaking, it is difficult for me to single out a program as the most memorable because every program had its unique grace, purpose and anointing, and thus met the specific needs of the church members. Personally, all the programs have been impactful and effective. We thank God for His divine backing and financial provision in supporting these programs.

As the Pastor of RCCG JHH for the past years, what are your major challenges and how have you overcome most, if not all, of them?

God allows challenges to come our ways in order to groom, shape and develop us in trusting Him for solutions. Firstly, I am always bothered by the lackadaisical attitude of some members towards the work of God, though there has been some progress in this regard through spiritual enlightenment programs. Our major challenge has been in the area of acquisition of church building. We are making some moves towards this goal and we are still trusting God for financial blessings in order to actualize this lofty project in no distant time.

Under your leadership, can you describe some notable ways the church has positively impacted her immediate community and beyond in the past years?

Our goal is to build a church without walls by reaching to people all over the globe through various technological means such as social networking, public outreach activities, and broadcasting of church programs on local TV stations like FOX 54, my8 etc. The church held some social events such as annual summer picnics aimed at reaching out to new people. Recently we organized yard sales through which some new items were sold to members of the general public at give-away prices. Some church groups visited and donated generously to the less-privileged/homeless people in our immediate community among others.

BY THIS TIME NEXT YEAR

"Then the LORD said, I will surely return to you about this time next year, and Sarah your wife will have a son" (Genesis 18:10 NIV).

Wonders never end! Sarah and Abraham seemed to say when God told them that they would have their own child "about this time next year" (Genesis 17:15-16, 19-21; 18:10, 13-14). How would a hundred-year old man impregnate a ninety-year woman? Naturally speaking, this is impossible. Sarah laughed it off, while Abraham gave God another option to fulfil His promise concerning him through other means (Genesis 17:18). However, God insisted that His promise of making Abraham the father of many nations would be fulfilled through the son that Sarah would bear to him, "for nothing is impossible with God" (Luke 1:37 NIV, Genesis 18:14; Jeremiah 32:17, 27; Mark 10:27; Luke 18:27).

God did fulfil His promise. In Genesis 21:1-2, the Bible says, "Now the LORD was gracious to Sarah as he had said, and the LORD did for Sarah what he had promised. Sarah became pregnant and bore a son to Abraham in his old age, at the very time God had promised him". I want to emphasize two salient points from this passage:

- (i) The unmerited favour of God upon Sarah made God to remember her and fulfil His promise in her life.
- (ii) God fulfilled His promise for Abraham and Sarah at the very appointed time.

What are you also trusting God to do for you? Have you lost hope on it? By this time next year, God would have done that thing for you in His own way, and at His very appointed time. God will be gracious to you and remember you for good in Jesus name. It may not even be up to a year. It may be less than a year, a month, a week, or even a day. Remember, the Lord spoke through Prophet Elisha, "Hear the word of the LORD. This is what the LORD says: about this time tomorrow, a measure of flour will sell for a shekel and two measures of barley for a shekel at the gate of Samaria" (2 Kings 7:1 NIV). The prophecy did happen less than a day. The officer who did not believe only saw it but never enjoyed it.

By this time next year, you also will have one or more things to testify about God's goodness in your life in Jesus name. Amen.

As ministerial works are fast expanding, are there any training programs aimed at equipping your church workers for greater tasks ahead? If yes, mention some of them.

We have workers-in-training programs intended for new church workers. Older church workers are encouraged and sponsored to attend various leadership programs at the Redeemer's Leadership Institute located in Atlanta, GA. Our Parish has been selected as a base for School of Discipleship programs and the in-class training will kick off soon. Presently, some of our leaders including myself are enrolled students at RCCG Bible College situated at RCCG Jesus House Birmingham, AL.

What are your long-term vision and aspirations for RCCG JHH?

By God's grace, my long term vision and aspirations include, but not limited, to the following: (i) building a church without wall through networking, TV programs, campus outreaches etc. (ii) maturing our members to become ministers through sound biblical doctrines. (iii) acquiring a Worship Center/ Sanctuary for God within the Huntsville community.

In today's world of uncertainties, conflicts and economic crises, what is your candid advice to the end-time believers?

The Bible says "the just shall live by his faith" (Habakkuk 2:4b). I therefore admonish all end-time believers to have unwavering faith in God, meditate more on his words, pray constantly and cling unto God for their sustenance and survival in this turbulent time.

Any final words for everyone?

The Bible says "repent ye, for the kingdom of heaven is at hand" (Matthew 3:2). Let us remember that Jesus Christ is coming very soon for a church without spot or wrinkle. Therefore holiness, humility and total surrenderedness should be our watchword. A day is coming when we will all give accounts of our stewardship to God. My heartfelt prayer is that God will sustain all believers to the end and more perishing souls will be saved through our evangelistic efforts in Jesus name. Shalom!

BUILDING A GODLY FAMILY

It is very important for us to know that God is the Author of marriage and family. God established the first family in the Garden of Eden between a man and a woman. "And the Lord God caused a deep sleep to fall upon the man. While the man slept, God took one of his ribs and close up its place with flesh. The rib that the Lord had taken from the man, made he a woman and brought her to the man. Then the man said, this is now bone of my bones and flesh of my flesh, and she shall be called woman because she was taken out of man. Therefore, a man shall leave his father and his mother and shall cleave unto his wife, and they shall become one flesh" (Genesis 2: 21-24)

Furthermore, we still need to know that God's intention for a family is to be a lifetime relationship between one man and one woman. Any other family setting (i.e. marriage between one man and another man or one woman and another woman) is an abomination to God. It is important to know the fact that Godly homes make a strong church and strong churches make a vibrant nation.

WHY SHOULD YOUNG PEOPLE SERVE GOD EARLY IN LIFE?

By Bro. Festus Olatoyinbo

The scripture enjoins the youths to remember their Creator in the days of their youth (Ecclesiastes 12:1). Based on this biblical injunction, the above question was posed to some youths. Below are their concise responses for your reading pleasure:

It is important for young people to serve God starting at early stages of their lives so as not to miss out in any part of the beautiful plans of God for their entire lives. At this stage, they have more time at their disposal to spend with God in preparing for their future challenges and learning the right ways of living as future parents and Gospel ministers.

[Contributed by Bro. Arutere Karo]

Youthful stage of life is the most vulnerable period for committing grievous sins, therefore embracing God's word at this time can help youths overcome temptations and conquer challenges associated with youthfulness. Also serving God and imbibing His word early in life can give young people the ample opportunity to learn and inculcate good parental skills and values which may go a long way in producing peaceful families, reducing social ills and impacting the society positively.

[Contributed by Sis. Franscisa Iwu]

Young men and women have sufficient time to pray, fast and seek God's face concerning His plans and purposes for their lives and future. Youths like David and Samuel among others knew the Lord and served Him right from their childhood days and never regretted. Young people can use their talents and God's given gifts to serve God and work in His vineyard.

[Contributed by Sis. Omolara Fadairo]

Consequent of the above, youths are strongly encouraged to use their time, energy, intellect, resources, education, gifts and God's given talents to serve God in their youthful days by working tirelessly for the furtherance of the Gospel and expansion of God's kingdom on earth.

BUILDING A GODLY FAMILY (continued from page 16)

A Godly family has Christ as the head. I Corinthians 11:3 says "but I want you to understand that the head of every man is Christ, the head of wife is her husband, and the head of Christ is God". Members of Godly family have mutual respect and love for one another. "Wives, submit yourselves unto your own husbands, as it is fit in the Lord. Husbands, love your wives, and do not be embittered against them. Children, obey your parents in all things; for this is well pleasing unto the Lord" (Col. 3:18-20). Ephesians 5: 21 says "submitting yourselves one to another in the fear of God".

There must be discipline in a Godly family. The discipline means to train or instruct. "Train up a child in the way he should go, and when he is old, he will not depart from it" (Proverb. 22:6). The fear of the Lord must be impacted into the children. Correction is very important whenever the children misbehave or disobey their parents' instructions. "Now the sons of Eli were sons of Belial, they knew not the Lord" (I Samuel 2:12). The sinful lifestyles of sons of Eli made their generation to lose priesthood position and authority from God. "Wherefore the Lord God of Israel said, I said indeed that your house and the house of your father should walk before me forever, but now the Lord said be it far from me, for them that honor me I will honor, and they that despise me shall be lightly esteemed" (I Samuel 2:30)

Brethren, as we celebrate the fourth anniversary of RCCG Jesus House Huntsville, the King of glory will transform our lives and will make our families experience heaven on earth in Jesus name.

THE EYES OF THE LORD

The eyes of the Lord are everywhere at every time. His eyes are always watching the handiwork of men. His eyes can never be closed for a minute. The eyes of the Lord are beholding the righteous and the wicked. The eyes of the Lord are always on the righteous for good because they are walking according to His counsel.

The eyes of the Lord are upon the righteous to:

- (i) deliver them (Psalm 34:19),
- (ii) protect them (Psalm 46:1),
- (iii) provide for them,
- (iv) lead them in the right direction, and,
- (v) hear their cry (Psalm 34:15).

The eyes of the Lord are upon the wicked for evil because they are not walking according to His counsel. The eyes of the Lord are upon the wicked to: (i) slay them, (ii) bring them sorrow (Psalm 32:10a), (iii) break their arm, and (iv) take away their peace (Isaiah 57:21).

Consider your ways today. Are you a wicked man or woman? Leave the path of wickedness and start treading in the path of righteousness. The wicked people of old such as Jezebel, Korah, Dathan, Abiram, Ahab and others died having the negative eyes of the God upon them.

It is our prayer that we will not see the negative eyes of God upon us, our families, businesses, careers and all that belongs to us in Jesus name.

Updates on Immigration

Children who are brought to the United States (U.S.) before age 16 and do not have valid visas now have the opportunity to apply and stay in the U.S. without fear of deportation. Some of the requirements to be met include: Being enrolled in school, be a high school graduate, absence of any criminal record, and demonstrate that they have very low incomes. Applicants will qualify to apply for a work permit if they can prove that their income is insufficient for survival. The work permit is NOT issued immediately; this can last for several months to a year. This measure however, does not automatically lead to a green card being issued. This is a temporary measure put in place to delay any immediate action on the children for two years, to enable Congress make a firm decision on the program. Applicants should therefore not have the wrong impression of being issued a green card or permanent stay after they have applied for a work permit.

Another potential implication of this program is that, applicants would have their data with immigration once they apply for this benefit. This information becomes beneficial to applicants if Congress eventually approves a more permanent measure to protect them. However, should Congress terminate or disapprove of the program, such data will be available for future actions. However, this should not necessarily discourage people from applying if they qualify.

Finally, documentation is crucial in this case, to verify the validity of claims made by applicants. Evidence must be provided by applicants to show their presence in the U.S. before age 16. School records, immunization records, address confirmations, purchases made with dates, vehicle receipts, and vehicle registration, are some of the acceptable documents.

Best wishes

Dr. Preston Augustus
